Swansea West

Q1 – Agree

Q2 - Agree

Q3 - Agree

Q4 - We will not support the development of nuclear power in new locations. Additionally, our aim of becoming carbon neutral by 2035 is not dependent on use of nuclear power.

Q5 – Before any decisions are made on nuclear waste, at a minimum, Plaid Cymru would expect a thorough and transparent Environmental Impact Assessment is carried out by EDF and Natural Resources Wales to ensure safety beyond reasonable doubt.
